

AMERICAN SOCIETY OF PROFESSIONAL ESTIMATORS
GREAT SALT LAKE CHAPTER 51

General Lunch Seminar

Thursday, August 20th – 12:00 Noon to 1:00 PM

LOCATION: 404 West 400 South Salt Lake City, UT

Topic: kama-EEBS Structural Systems

kama-EEBS Structural Systems™ have been named one of the top 10 green building products of 2009 by *Sustainable Industries* magazine, an independent, award-winning business magazine serving sustainable business leaders on the West Coast and beyond. The Las Vegas-based [kama Energy Efficient Building Systems, Inc.](http://www.kama-eebs.com) (kama-EEBS™) has designed a technology that integrates light gauge steel stud framing and expanded polystyrene (EPS) into building sections that can be used to construct an airtight building envelope of maximum thermal performance.

Please join us for this informative seminar about an exciting product that is being used on LEED projects and can help you own credits on your next LEED project.
<http://www.kama-eebs.com>

RSVP by 8/18/09 Lunch will be provided
